## “I thank my God...”

I don't even know how to begin to express how profoundly grateful I am to have gotten to minister alongside you all both this year as Christian Education Director for Spiritual Growth and Mission, as well as when I was here as Student Pastor a couple years ago. It has truly been a blessing. I was called to BRP to cultivate spiritual growth – the beautiful gift of ministry is that, through worshipping together, having theological conversation while sipping coffee, singing silly songs, and even eating tacos together on a Tuesday night, I have grown. My faith is so much richer because of my time with all of you. Thank you...from the bottom of my heart. So, with sadness that I will have to say goodbye to people I love so dearly, but also with joy that God is calling Mike and I to new and meaningful experiences...I would like to share that I have accepted a call to serve as Associate Pastor at Christ Presbyterian Church in Toledo, Ohio! Some of my ministry there will include leading youth group, adult education, small groups, preaching once a month, and pastoral care. I will be examined for ordination on July 25<sup>th</sup>, and will begin my ministry in Toledo on August 7<sup>th</sup>. My last day at BRP will be Sunday, July 23<sup>rd</sup>, when I will have the opportunity to lead worship one more time.

As we each follow where God calls us next, know that you all hold a special place in my heart, that I will be praying for you, and that “I thank my God every time I remember you.”

<sup>3</sup> I thank my God every time I remember you, <sup>4</sup> constantly praying with joy in every one of my prayers for all of you, <sup>5</sup> because of your sharing in the gospel from the first day until now. <sup>6</sup> I am confident of this, that the one who began a good work among you will bring it to completion by the day of Jesus Christ. <sup>7</sup> It is right for me to think this way about all of you, because you hold me in your heart, for all of you share in God's grace with me, both in my imprisonment and in the defense and confirmation of the gospel. <sup>8</sup> For God is my witness, how I long for all of you with the compassion of Christ Jesus. <sup>9</sup> And this is my prayer, that your love may overflow more and more with knowledge and full insight <sup>10</sup> to help you to determine what is best, so that in the day of Christ you may be pure and blameless, <sup>11</sup> having produced the harvest of righteousness that comes through Jesus Christ for the glory and praise of God.  
(Philippians 1:3-11, NRSV)

Peace and Love,  
Lanie Sipes

## Hello.... Again!

Hi BRP! My year as your Student Pastor came to an end on May 7, but as of June 15, I am officially back to work with you, this time as the Children's and Youth Ministry Coordinator. Now, my primary responsibilities will include Sunday School, mission/service, and programming for the youth and children here at BRP. I'll still be involved in committee work and church events, and maybe one day, I'll find my way back into the pulpit for a sermon or so.

Children and Youth, we're going to have a big year ahead of us. Don't worry, you will be involved in the planning, so we'll try to figure everything out together. Above all, I am here for you! Parents, just as much as I am here to care for your children, I am here to support you as well. Let me know what I can do to support you (transportation, communication, Parents Nights Out, etc.) and I invite you to share updates on your kids! I want to know how you're all doing.

All, if you have felt even the slightest desire in your heart to help out with the children's or youth ministries, just let me know. Whether you have 5 minutes, 5 dollars, or 5 kids to invite to events, you are absolutely needed to help shape the spiritual, emotional, and physical growth of our kids. You could bring snacks, pray for students, provide transportation, or share your hobbies/interests with us. There is plenty of work and love to go around!

If you need anything at all, please email me at [hesson.brittanyl@gmail.com](mailto:hesson.brittanyl@gmail.com) or call/text at 270.985.3167. I look forward to what the year will bring to this congregation.

Brittany Hesson  
Children's and Youth Ministry Coordinator

## COMING SOON TO YOU!

We just completed a discernment process with Rev. Peggy Hinds. It was wonderful to have so many in our congregation take part in the process and to help our ministry at Bardstown Road Presbyterian Church discover new opportunities and visions. It was decided as part of this process that we will take part in another information gathering activity that makes use of a survey of our members and then this information will be processed to provide extensive information comparing our community around the church to our congregation. This will be a tremendous assistance as we look at our vision going forward. We will be provided with about a 60 page report illustrating opportunities for new ministry as we learn more about the demographics of the community as well as our own congregation.

You will be hearing more about this from our session. The information provided will be provided anonymously and confidential. The forms will be collected and forwarded to Percept for them to process. Percept has supplied thousands of churches and agencies with demographic information to help them engage in mission in their community. Your participation and input is important and appreciated as it helps us receive the best information possible. Thank you. *Doug Rapp*

## EARTH CARE

What does it mean to be an Earth Care Congregation? BRP is one of over 200 congregations in the denomination to gain ECC status. That means we care for the environment in many ways around our building and in our activities.

Each year we submit a questionnaire to summarize our activities in areas like our building, education, worship, and outreach. By using Eco-Palms for Palm Sunday, using glass communion cups, hosting a Farmers' Market in the parking lot, recycling batteries, and having an energy audit done, among other activities, we're helping to care for God's creation. Soon we will have solar panels on our roof to generate some of our electricity!

What are you doing at your home to care for God's creation? *Bill Bowman*

## SESSION MODERATOR

We are grateful to Rev. Nathan Sautter, Associate Pastor at Second Presbyterian Church, for serving as Moderator for the session while we are in search of a Transitional Pastor. He also works with the Presbytery Committee on Ministry to assist churches as they search for a new pastor. We welcome his leadership and assistance. The session has appointed a committee to locate and hire a Transitional Pastor and hopes to complete this task within the next thirty to forty- five days. A Pastor Nominating committee, different from the committee to hire a Transitional Pastor, will be formed and begin searching for the new pastor to lead us into the future and work to incorporate the ideas brought out during the discernment time with Peggy Hinds. This committee will be made up of members that best reflect the demographics of the congregation as required in the Book of Order. If you have any questions about this process, please contact a session member for more information.

## BUILDING AND GROUNDS

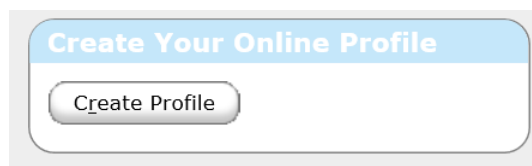

Much is planned and much has happened for Building and Grounds. We are having the flat roof over the Christian Education building repaired as there are some needed repairs before we look to begin installing solar panels in partnership with Kentucky Interfaith Power and Light. This cost will be approximately \$4,000. We are also having roof and brick repairs done on the flat roof over the office. We have several areas where water is damaging walls. Tuck pointing some brick and repairing some flashings will hopefully solve the problem. The parking lot has been re-sealed and striped and umbrellas were purchased for the patio tables to provide shade and color to the area. Stanley Steamer power cleaned the restrooms in basement and first floor. We are working with Ray Nilest on painting the ceiling in sanctuary but waiting for all roof work to be completed. A list of special projects has been made to be worked on as we recruit volunteer help. Projects range from painting, to concrete repair, to small plumbing, to power cleaning of brick, table repairs, Fellowship Hall updating, electronic updating etc.....The list will be put in Fellowship Hall for recruiting volunteers.

## **Buckhorn Mission Trip 2017 Recap**

Its' been 22 years that an intergenerational group has been visiting the Buckhorn Children's Center in the steamy summertime.

This year the adults outnumbered the youth: Bill Bowman, Claire Detlefs, Joe Anne Overstreet and myself took 3 highschoolers, Seo and Stevenline Waritay along with Ivona. Cullen Bilyeu was an honorary attendee. He carted 40 bags of mulch 3 hours to the Center and then drove over to the State Park to enjoy a spaghetti dinner with us before heading back to Louisville that night.

There was an enormous group visiting at the same time. I heard 150 people had come to put new metal roofs onto three cottages. In comparison, we felt small and unassuming, but the landscaping work we did, ended up making three buildings look tended and cared for.

We had moments of hard work; picture Ivona carrying a 40lb bag of mulch on her head. And, as well, we had moments of hardly working; picture three kids waving tools at the weeds.

New experiences abound when we leave the city. Seo and Ivona rode a pontoon out on the lake for several hours with us. Besides learning to drive the boat and use the ladder to get back up, they were soon doing flips into the lake. Once when Ivona was driving, we were privy to watch a doe and her fawn out for a leisurely swim. Seo claims they were purposefully crossing the lake. We'll never know. But it was fun watching the mom scurry up onto the bank while the fawn took several tries to finally emerge out onto the land.

We saw turtles, buzzards, ticks and turkeys as well. When Seo yelled, we all gathered on the last morning to watch a little deer scarf up a blooming yucca plant on the hill directly behind our cabin.

I am sharing a sweet note from Faye Combs (**top of next column**), at the front desk. She was working hard, with their two maintenance men, to keep the roofing teams supplied and fed. We bring our own food, tools, mulch and initiative (and our own chefs). I know that is mostly what they appreciate.

At Buckhorn, our kids get a rare opportunity to do for others.

Isn't that part of our mission?

Jennie,

You are leaving the parking lot as I send this message. I don't remember if I said Thank you! for the work on the flowerbeds.

You may not think you are doing enough, but let me assure you that the work on the flowerbeds and landscaping makes for a tremendous outpouring of gratitude from clients and staff about how nice it looks and enormous feelings of happiness because it lifts our spirits and makes us proud.

Thank you my friend for your continued support for our clients year after year.

Many thanks, Faye

This is a joint effort with Deer Park Baptist Church and the Deer Park Neighborhood Association. It's a great time for everyone, and we definitely love volunteers. If you wish to help call the church office or Becky Shafer at 895-0095.

We will need volunteers to help set up, help with different activities, and clean up. Please be thinking about how you can volunteer! *Thanks, Becky*

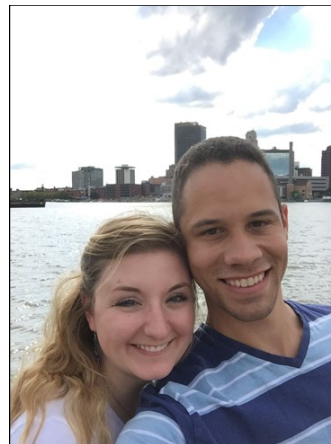

## **ENVIRONMENTAL STEWARDSHIP**

Bardstown Road is going solar! In partnership with Kentucky Interfaith Power and Light, we will be adding solar panels on our roof to offset a part of our electric cost. It is working with one of our church priorities of good environmental stewardship. Tim Darst will be doing a Minute for Mission to inform us about the project and the benefits we will receive. The church will need to provide \$5,000 towards the cost. If you would like to contribute towards the initial cost, make a donation to the church and label it "for solar panels". Thanks for being a good environmental steward.

*Doug Rapp*
